PROFILE

As a recent Computer Science graduate from the University of Nairobi, I specialize in front-end development with robust skills in JavaScript, React, HTML5, and CSS3. Passionate about crafting responsive and user-friendly interfaces, I excel in translating design concepts into seamless digital experiences. My internship experience and project portfolio highlight my drive for innovation and dedication to quality.

WORK EXPERIENCE

- **Carrix Media Group** 2021 - 2022
Network Engineering Intern
 - Network Monitoring: Monitored network performance and resolved connectivity issues, ensuring minimal downtime for users.
 - Infrastructure Support: Assisted in the setup and maintenance of network infrastructure, including routers, switches, and firewalls.
- **Customer Service:** Provided technical support to clients, troubleshooting network problems and guiding them through solutions.
